Equipping Rural Farmers on Healthier Food Production

Students from the members of the University Social Responsibility Network will join together with Sichuan University students to study the subject “Equipping Rural Farmers on Healthier Food Production”, taught by Dr. Gilbert Chan from the Department of Applied Biology and Chemical Technology, The Hong Kong Polytechnic University.

During the two-week study, besides acquiring the disciplinary knowledge on basic concept and practice on modern agriculture and food supply chain issues during lectures, students will work in teams to practice traditional mushroom farming in Shifang by applying their knowledge to real situation.
