Frequently-asked questions

Q1. Can students of fall enrollment apply?

A. Yes, they can apply if he/she is enrolled in either the 1st grade of the master's course or the 1st and 2nd of the doctoral course as of April 2017.

Please be noted that our scholarship do not retroact before the April of 2017.

Q2. Is it acceptable to use other format or to use graphic style to explain the research?

A. It is acceptable to use other format as long as it is prepared in accordance with our original questions and made in A4 size. You can add pages, but please make the content specific and simple. Graphs or images can be used for explanation.

Q3. Can the applications be later than the closing date?

A. We proceed the selection process on the next day of the closing date, thus, please submit the documents within the closing date. We do not include applications that arrive after the closing date.

Q4. Is there any criteria for No. 23 of the Application?

A. Anyone who live in Japan may be the contact person for the applicants. Many applicants seem to indicate their academic supervisor in this item.

Q5. What is the percentage of passing the interview?

A. About 70 percent of the applicants who proceed to interview will be adopted.
